

moto hint +

INTERACTIVE WIRELESS EARBUD

Ultimate voice control. Remarkably discreet.

The new Moto Hint + is a discreet wireless earbud that looks good and feels great. Together with the redesigned charging case, get up to 70% more talk time. Get a better fit with your choice of four new ear gels. Then enjoy our best sound ever, including louder audio levels. With Moto Hint you get the ultimate in voice control which allows you to do more, like ask questions and get answers directly in your ear. By simply touching the earbud you can make calls and send messages. There's no need to reach for your phone.
