Uniden are renowned for helping people stay connected and now they're taking it a step further with the introduction of the BTS200 Bluetooth®, HD Sound Hands-free Portable Teleconference Speakerphone, allowing you to take that important call and conference call wherever you are. The BTS200 is a Powerful 4 Watt RMS Portable Teleconference Speaker for crystal clear hands-free conversations.

In its compact size the BTS200 is the perfect accessory for any of the latest Tablets or Mobile Phones. With its SRS WOW HD* technology this allows for a rich audio experience in a compact, portable wireless speaker. With *SRS WOW HD Sound and Dual 50mm drivers the BTS200 is perfect for superior audio making it ideal for Teleconferencing and even playing your music collection.

What makes this Bluetooth® Device special is that it has a Removable Battery Pack enabling you to charge your mobile phone and other USB devices on the go - never miss a call due to a flat battery again. Whether you're listening to music or on a conference call, you're always connected.

HD SOUND

Bluetooth®

* **SRS** **WOW HD**

Uniden's advanced speakerphone technology virtually eliminates dropouts and echoes for wireless conversations so natural you'll think you're in the same room.

Some handy features of the BTS200 features a call answer button, volume control buttons, mute and a play/pause button. The unit has a Power Switch, USB Charging Port and a clever Removable Battery Pack.

Whether you're listening to music or on a conference call, you're always connected.

Suggested Retail: \$129.95
