Uniden are renowned for helping people stay connected and now they're taking it a step further with the introduction of the BTSC 1700 Bluetooth® 3.0 Hands-free Car Kit. Slim and unobtrusive, the compact unit simply hooks on to the sun visor. With Voice Control, this is a True Hands-free unit. Perfect for Hands-free use while driving.

SMART ANDROID APP*

When the phone rings, the Uniden BTSC 1700 will announce the name of the caller or their phone number. To handle the call, just say: "ANSWER" or "IGNORE". The BTSC 1700 has a 46mm wide OLED display which shows the Caller's name or phone number when you receive a call.

Bringing further innovation to the hands-free communications experience, the new car kit utilises the latest noise and echo cancellation technology for enhanced call clarity, as well as Bluetooth® 3.0 for faster transmission speeds and lower power consumption. Up 2 devices can be paired at the same time.

Another great feature of the BTSC 1700 is the CarKit App* - the Uniden BTSC 1700 App is available on the Android Market.

This app works seamlessly with the Uniden BTSC 1700 reading your SMS messages via Text to Speech technology. You can also check your Email, Google Calendar and even check the Weather.

An audio alert will tell you when you receive a new text message or the BTSC 1700 will announce "You have a new (message)(email). Please say CHECK or IGNORE."

Suggested Retail: \$99.95
