Introducing the latest in Wireless Video Monitoring Systems. Uniden's new wireless solution is designed to monitor the safety of your sleeping baby or kids playing with an exceptionally user-friendly, high quality digital encrypted monitoring system.

The BW 2001 allows you to monitor the safety of your children remotely. Featuring a Digitally Encrypted Signal, the BW 2001 is the ideal system for Secure Digital Crystal Clear monitoring and protects against eavesdropping and hacking for added Peace Of Mind.

The BW 2001 also comes with VOX (Voice Activated) alarm feature.

This system comes with a 2.4" Colour LCD Display Receiver and a Portable Indoor Video Camera.
