Homeowners are becoming more security conscious than ever, with recent research revealing that one home is broken into every 90 seconds in Australia. Addressing the increasing demand for high quality, affordable security, the new Uniden Guardian is Australia's first true plug-and-play wireless surveillance system with a remote viewing iPhone or android app.

Uniden Guardian Digital Wireless Surv...

This Additional Weatherproof Digital Wireless Weatherproof Surveillance Camera is the perfect add-on to the Uniden Guardian® Digital Wireless Surveillance Pack.

The Uniden Guardian G2010 Camera is compatible with the Guardian G2720, Guardian G2711 and the Guardian G2710 Digital Wireless Video Surveillance Systems.

Ideal for monitoring outside of properties, the Uniden Guardian is the ultimate all-in-one security system for the home.

Check out the Uniden Guardian in Action below

Suggested Retail: \$129.95

This is an Additional Weatherproof Camera only to expand the Guardian G2720, Guardian G2711 and the Guardian G2710 Digital Wireless Surveillance Systems.
