## UH015sx

### 40 Channel UHF CB and 60 Channel Scanner in One

[PRINT this page](#)
[EMAIL a friend](#)
[Range Brochure PDF](#)
[Operating Manual PDF](#)

This radio brings together both an integrated 40-channel UHF CB radio and a 60-channel scanner in the one unit.

An ultra-compact design and a remote or in-dash mounting control head complements this breakthrough in technology. The UH015sx has pre programmed police scan function allowing you to listen to activity on the police bandwidth and with its Dual Listening Circuitry allows you to listen to your UHF and Scanner Channels without having to switch between Scanner and UHF Mode.

The UH015sx offers the finest components, engineering and styling. Just what you would expect from Uniden. The UH015sx is able to scan over 8500 plus receivable channels making it ideal for truck drivers, 4WD Drivers and for those persons that need it for the dual function of a UHF Transceiver and Scanner in one. The UH015sx also has a Built-in SELCALL Function allowing the user to send a series of tones that equate to a 5/6 digit number (like a telephone number) to selectively call a similarly equipped radio.

It is also VOX Hands Free Capable allowing you to operate the UH015sx with hands free operation with an optional headset microphone available. The UH015sx is the perfect solution and tool for UHF Mobile communication worldwide.

Suggested Retail: \$399.00
