Celebrating 40 Years of Radio Communication Expertise Uniden is proud to realise it's limited edition combined UHF mobile and handheld pack. Comprising of the UH088sx and the UH064sx this is ideal for those wanting the mobility of a handheld UHF and the performance of the in-car mobile.

The UH088sx is a great Mobile UHF Unit with 40 Channels, a Front Fire Speaker for better sound clarity and a Programmable Scan Function allowing you to scan the 40 channels with both open and group scan functions. The UH088sx is the 2nd generation of the top selling UH088 with the added benefits of CTCSS (Interference Eliminator) and an Optional Tone Squelch (SELCALL). The UH088sx offers the finest components, engineering and styling.

The UH064sx handheld UHF have exceptional range in excess of 10+ Kilmometres. Featuring 2 Watt Power and D+ Booster which uses precision matched antennas to deliver superior range and enhance battery efficiencies compared to standard UHF systems. Featuring a compact and ergonomic design this is ideal for people in the commercial industry and anyone wanting the complete UHF package with exceptional range. Other features include 40 licence free channels, Range Extender (Duplex) Capability, and Long Life Super Switch giving you extended battery power. The UH064sx also has DCS (Digital Coded Squelch) allowing you choose from 104 alternative digital codes that can be sent with your transmission. The digital code is recognised by the compatible receivers enabling them to receive or block unwanted conversations.

The UH088sx + 1 limited edition pack is the perfect solution and tool for UHF Mobile communication worldwide.
