Range Brochure PDF

Operating Manual PDF

The UH089 is a great 2-Way CB UHF radio. Boosting 40 UHF channels this unit is also a super compact size. Uniden's reliability and experience in UHF makes this unit ideal for the professional who needs to keep in touch.

The UH089 also boosts CTCSS Interference Eliminator allowing you to block out unwanted conversations. It also has Range Extender (Duplex) Capability giving you long range depending on the location of local repeater stations. The keypad and LCD Display is backlit for easy viewing at night or in low light situations.

Built-in VOX Circuitry allows hands free operation with the optional VOX headset (VM-090). The UH089 also has open scan and group scan.

Suggested Retail: \$299.
