**WARRANTY**

The UH089NB is a great 2-Way CB UHF radio. Boosting 80 UHF channels this unit is also a super compact size. Uniden's reliability and experience in UHF makes this unit ideal for the professional who needs to keep in touch with the outside world.

With DCS (Digital Coded Squelch), the UH089NB allows you to choose from 104 alternative digital codes that can be sent with your transmission. The digital code is recognised by the compatible receivers enabling them to receive or block unwanted conversations. For additional conversation privacy the UH089NB also has CTCSS / DCS Interference Eliminator allowing you to block out unwanted conversations. It also has Range Extender (Duplex) Capability giving you long range depending on the location of local repeater stations. The keypad and LCD Display for the UH089SX is now backlit orange for extra easy viewing at night or in low light situations.

Another great feature of the UH089NB is the Open Scan and Group Scan (GS) with Priority Channel Watch - this allows you the user to select the channels they wish to monitor / listen to in a group, along with a Priority Channel (Priority Watch).

The UH089NB is a 5W unit with a convenient Backlit LCD Display with a handy Dimmer.

Ideal for:

Super Compact, this unit measures in at only 127mm (W) x 36mm (H) x 145mm (D) making it the ideal unit for Truck Drivers, 4WD Enthusiasts and Camping and Caravans.

For your convenience, this versatile unit features an External Speaker Jack.

The UH089NB comes with some great accessories including a Standard Microphone, Microphone Hanger and a Mounting Bracket.

Suggested Retail: \$249.95
