**NARROW BAND
CHANNELS**

Introducing the latest in UHF communication from the world leaders in wireless communication. The UH8060NB is extremely compact, yet so versatile and full of features.

The UH8060NB is built for rugged Australian and New Zealand conditions, making it ideal for the truck drivers, 4WD Drivers and Caravan Drivers. Uniden's reliability and experience in UHF makes this unit ideal for the professional who needs to keep in touch with the outside world. The UH8060NB offers the finest components, engineering and styling, just what you would expect from Uniden.

The unit has a Remote Speaker Microphone with a built-in Large LCD Backlit Screen, which allows you to control all functions and features remotely, including volume and Power On/Off. Choose from 7 backlit display colours and 3 brightness levels for easy viewing at night, low light situations or just to suit your personal preference. This unit also features Instant Channel Programming and Recall at the touch of a button which is located on the MIC.

The UH8060NB base unit is so compact it can be mounted almost anywhere, including the glove box, under the seat, or in the dashboard. With 5 Watt Output Power and 38 x CTCSS and 104 x DCS Codes to choose from, this unit is the perfect travel companion to enable you to stay in touch.

Ideal for:

**REMOTE
SPEAKER MIC
WITH LCD SCREEN**

**MINI
COMPACT SIZE**

Suggested Retail: \$379.00
