Introducing a combined Door Intercom / Door Bell and Cordless Phone System in One.

Uniden's new addition is designed for households and small businesses allowing you to speak to who is at the door or reception area. It is a user friendly plug and play intercom that will be sure to impress.

Hands-Free Operation, makes this Doorbell / Intercom Combination the right choice for your home or small business. Your Cordless Phones (which are included), will alert you by sounding a chime which will allow you to communicate with the person at the door.

#### UWG200 HOME INTERCOM DOORBELL & CORDLESS PHONE IN ONE

The UWG 200 lets you Talk Securely, find out who is at the entrance and carry out conversations with them without ever having to go near the door. This can all be done on the convenience of the Cordless Phones included.

Suggested Retail: \$99.95
