Introducing the latest in Home Video Intercom Systems, and what makes this so special is that it is Wireless4 and Portable. Uniden's new Wireless Home Video Intercom is designed for households and small businesses allowing you to see who is at the door or reception area. Even when you are not at home you can view who has been at your house by recording who has visited you. It is a user friendly plug and play high quality digital encrypted intercom that will be sure to impress.

**DIGITAL WIRELESS  
HOME VIDEO INTERCOM**

**Splashproof Outdoor Video Intercom Camera  
positioned at the entrance**

**The Receiver lets you  
view who is at the entrance**

The unique snap shot function records up to 50 photos of whoever visits your home whether you are there or not and with the night vision capability you can screen or answer visitors at your front door in complete darkness.

**SNAP SHOT  
FUNCTION**

Records up to 50  
photos of whoever  
visits your home  
whether you are  
there or not.
