Introducing the latest in Digital Wireless Surveillance Systems. Uniden's new wireless solution UWS 1113 is designed for households and small business that want an exceptionally user-friendly and high quality digital encrypted surveillance system.

The UWS 1113 Deluxe Pack is bundled with a 3.5" LCD Monitor, Outdoor Weatherproof Camera and an Indoor portable Camera to make it a valuable pack.

The Digital Wireless Surveillance Deluxe Pack is ideal for those wanting to protect property, safeguard loved ones, Deter theft and shop lifting, monitor and record visitors and those needing to monitor a situation with night vision.

The Portable Indoor Video Camera has a Built-In Rechargeable Battery with up to 3 hours battery life. The Portable Monitor also has a built-in Rechargeable Battery with up to 5 hours battery life and features a Split Screen allowing you to view all 4 Camera Transmissions simultaneously.

This UWS 1113 Deluxe Pack can be expanded by up to 4 Cameras with Digital Zoom and Pan Capabilities.
