Introducing the new XDECT 7055 + 3WP (featuring a waterproof, fully submersible/floating handset) is the new benchmark in digital cordless phone communication offering Extended Coverage for the DECT frequency. What makes XDECT unique and superior to other cordless phones is the diversity antenna system for optimal reception and clarity by mitigating multi-path errors. The high gain antenna allows for greater range and to eliminate dropout areas in your home.

Designed and engineered in Japan, Uniden's XDECT 7055 + 3WP has been purpose built for Australia and New Zealand. Ideal for high-density urban living - the XDECT range is wireless (WiFi) Network Friendly meaning the cordless phone will not interfere with other wireless networks in the surrounding area.

The stand-out features aimed at providing the user with enhanced control over incoming phone calls. Through activation of a new Call Block feature - a cordless phone first - When call block is on and the incoming number matches a number in the blocker memory. The phone will answer the call and announce "no one is available to take your call" then hang up. In addition, the integrated digital answering machine offers a Do Not Disturb function, allowing the ringer on the Handset and the Base to be muted at once. For easier caller identification, the XDECT 7055 + 3WP series also enables the user to allocate polyphonic ringtones to individual callers in addition to displaying caller ID.

Backward Compatibility

SS E XX   DECT 2XXX   XDECT 7XXX

The XDECT 7055 + 3WP is equipped with 2 standard additional handsets and 1 fully Submersible/Waterproof handset. The XDECT 7055 + 3WP features an Integrated Digital Answering Machine ensuring you never miss that important call. The Dual Keypad allows you to also call from the base. The Digital Duplex Speakerphone on the handset and base makes hands-free communication a breeze.

The Additional Waterproof/Submersible Handset meets JIS7 Waterproof Specifications* This handset is Durable and Rugged enough to use Indoors and Outdoors. It is fully submersible in the Pool and Floats! With handy Rubber Side Grips and is Dust and Dirt Proof Ideal for Factory use.

Uniden s quality and performance make the XDECT 7055 + 3WP an outstanding and reliable digital choice.
