Range Brochure PDF

Operating Manual PDF

Incorporating great value and Uniden's exclusive 2.4GHz SCR Technology, the XS 1215 + 1 is packed with essential features.

Using a shorter wavelength, this new technology delivers improved sound clarity and range, making it ideal for two-storey houses and single level apartments. The XS 1215 + 1 comes with two handsets for extra flexibility, incoming Caller ID and POP ID functions, 30 Caller ID Memories and Alpha Memory Dialling. Enjoy the added convenience of crystal clear Maxi-Sound through an extra loud handset volume control, and the One Touch Rocket Dial feature that allows you to dial your most frequently called VIP number with the touch of a single button.

Suggested Retail: \$89.95
