Range Brochure PDF

Operating Manual PDF

Incorporating great value and Uniden's exclusive SCR Technology, the XS 1410 is packed with an array of essential features.

Using a shorter wavelength, this new technology delivers improved sound clarity and range, making it ideal for two-storey houses and single level apartments.

Enjoy the convenience of Crystal Clear Maxi-Sound through an extra loud handset volume control and high gain compact antenna, and the One Touch Rocket Dial feature that allows you to dial your most frequently called VIP number with the touch of a single button.

With its easy to use features and large handset, the XS 1410 is an economical cordless phone well suited to all age groups.

The XS 1410 is available in Ivory and Black.

Suggested Retail: \$44.99
