Range Brochure PDF

Operating Manual PDF

Incorporating great value and Uniden's exclusive 2.4GHz SCR Technology, the XSA 1255 is packed with essential features.

Using a shorter wavelength, this new technology delivers improved sound clarity and range, making it ideal for two-storey houses and single level apartments. The XSA 1255 comes integrated with a Digital Answering Machine with remote access, incoming Caller ID and POP ID functions, 30 Caller ID Memories and Alpha Memory Dialling. Enjoy the added convenience of crystal clear Maxi-Sound through an extra loud handset volume control, and the One Touch Rocket Dial feature that allows you to dial your most frequently called VIP number with the touch of a single button.

Suggested Retail: \$89
